

IMPACT 8

DUAL SIDED VAN

OVERVIEW

A unique marketing opportunity comes in the form of our dual sided video screen van. Two 8 square meter LED screens delivering full video in two directions at once. Perfect for experimental and marketing driven projects. This no fuss unit can be running your content at your specified location in no time.

KEY FEATURES

- » Perfect for promotions & small events
- » 2 x 8sqm displays to cover 360 degrees
- » Low kerb weight & small footprint
- » Install and setup in less than 15 mins

WHY CHOOSE YSLV?

- » Higher resolution mobile LED screens than the leading competitor
- » Fully brandable big screen units for maximum exposure
- » Help and advice with your content and videos for the screen
- » 24/7 Total Support Pledge – giving you dedicated service and support that goes beyond the call of duty
- » Price Match Promise – we guarantee to match a competitor's price based on a like for like quote
