

# The Digivan

## 3 SCREEN LED VIDEO VAN

# YSLV

AV · LED · EVENTS

## OVERVIEW

A unique marketing opportunity comes in the form of our triple sided video screen van. Two 7 sq meter LED screens plus a rear screen delivering full video in three directions at once. Perfect for experimental and marketing driven projects. This no fuss unit can be running your content at your specified location in no time.

## KEY FEATURES

- » Perfect for promotions & small events
- » Three LED screens on one vehicle
- » Integrated media player to run your content
- » Low kerb weight & small footprint
- » Can drive with content running

## WHY CHOOSE YSLV?

- » Higher resolution mobile LED screens than the leading competitor
- » Fully brandable big screen units for maximum exposure
- » Help and advice with your content and videos for the screen
- » 24/7 Total Support Pledge – giving you dedicated service and support that goes beyond the call of duty
- » Price Match Promise – we guarantee to match a competitor's price based on a like for like quote
